## Directions to Killalea State Park

**Address:** Killalea Drive, Shell Cove

**Maps:** Map 53 (N15) and map 54 (B26) in the Illawarra Phone Book (Kiama, Shellharbour).

The Park is about 10 mins north of Kiama and about 25 mins south of Wollongong.

### Directions from Sydney / Wollongong:

Travel south on Princes Hwy and the first landmark is the Buddhist Temple on the left at Berkeley. This is about 20mins north of Killalea. Keep travelling south and follow the signs for Kiama / Nowra. You will come to Albion Park Rail and see lots of car yards on your left and a small regional airport on your right. As you are leaving Albion Park Rail at a set of traffic lights you will pass McDonalds on the left and a garage on the right. Keep travelling south on the Princes Highway, go under the overpass and then take the “**Shellharbour Rd – Shell Cove, Shellharbour**” exit. At the top veer LEFT onto Shellharbour Road, **cross to the right-hand lane** and at the next roundabout turn RIGHT onto Dunmore Road. Follow this road, go past a school on your right and through a set of traffic lights. Turn LEFT at the next street (you will see a brown Killalea State Park sign and you are now about 4 minutes from the park). You will immediately come to the first of 4 roundabouts you have to go through. To the right is the golf club but YOU MUST TURN LEFT at this roundabout onto Southern Cross Boulevard. Turn RIGHT at the roundabout onto Killalea Drive. Go past the school (on your left) and you will come to another roundabout. Go straight through this roundabout and over the bridge. At the next roundabout turn LEFT and follow this road until you reach the boom gates.

The boom gates open automatically between 4.30am and 8.45pm. You will need an access pin after hours. The camping area is 1.8 km on the right after the boom gates.
